# Help Wanted

Want to be part of a young and active charity?

Can you give a few hours a week to help a charity making a big difference to your local community?

Fancy yourself as an eco-warrior?

Come join our dynamic new team at Furnistore – who are trying to make a big difference within the East Surrey community. As East Surrey's only household goods recycling charity, Furnistore collects everything from tables, to TV's. While many of our items are sold on as is, a few of our volunteers are up cycling donated goods and with a few hours of “magic” , new items are created and ready to be used.

If you want to be part of a charity that makes a lasting difference in your own community, and can give us a few hours, whether it be answering phones, helping complete paperwork, taking photographs, or being a part of our up cycling “magic”, we welcome you to join us.

Contact Jenny on 08450 544089 for further details.
